- Review feedback given by team members
  - *Nothing to report*
- Review any big things that got finished
  - SRS Revision
  - CM First Revision
  - Architecture Model
  - First Team Presentations

Team 1 Review

What did you get done?

What are you working on?

What are some roadblocks you have found?

Team 2 Review

What did you get done?

What are you working on?

What are some roadblocks you have found?

Team 3 Review

What did you get done?

What are you working on?

What are some roadblocks you have found?

Leadership/CM Review

What did you get done?

- **Zach:** Finished the use cases for the SRS

What are you working on?

- **Zach:** I am going to work on revising my part of the CM and reviewing the use cases.

What are some roadblocks you have found?

- **Zach:** I need to take some hours off of my work load. I need to put more time into the project.

TO-DO

Class Assignments

(*Assignments given to us by Dr. Jerkins separate from the project*)
- Quiz 8 - Ch 15, 16
- Wt tip calculator

Project Assignments

(*Discussing assignments related to the current sprint of project/sprint planning*)
- Get comfortable with Gitea
- START OF DESIGN MODELING
  - *PRENOTE: Leaders meet with teams to divide up tasks.*
  - Review of SRS: Team 1 (Report to Zach/Leaders)
  - Revision of CM: Leadership (Report to Zach/Leaders)
  - QA Plan: Leadership (Report to Zach/Leaders)
  - Task Development Leadership (Report to Zach/Leaders)
  - Class Modeling: Team 3 (Report to Ethan and Austin)
  - Data Modeling: Team 2 (Report to Ethan and Austin)
  - View Modeling: Team 1 (Report to Joey and Aryman)
- This is just a head start since he technically has not assigned us modeling (just want to give us more time), so this first week is just investigation and drafts (due 3/13 at ~10 AM). First revisions of modeling will be due 3/20 at ~10 AM.
- This may be reworked. Everyone will know by 3pm on 3/9.
- Tip: Use cases are made to support all design modeling so use them!

Team Business

- It is up to the team to decide how they should go about the given tasks. Please ask questions to leadership, however (whoever you report to)
- Teams, please plan on meeting at least once a week!

Open Floor

Put your name and what you want to talk about
Zach:
- Teams, please communicate with each other about tasks!

Next Meeting Time

3/11/2024, 8:30 PM
